Workers Accommodation at Pulau Indah

Playing the role of Industrial Park Manager (IPM) in Pulau Indah, Urbancubes Sdn. Bhd. is looking for more business opportunities by transforming the abandoned building in Indah Point into workers' accommodation, aligned with the concept of Managed Industrial Park (MIP) as proposed by the Selangor state government. This development is believed to be an added value for industrial parks, especially Pulau Indah Industrial Park (PIIP), SBB Industrial Park (SBBIP), and Selangor Halal Hub (SHH).
